UPLOADING RESTRICTIONS

The InteractivePRO™ CAS provides the ability to control authorized InteractivePRO™ products (**Product**) including the ability to upload content to the device. It is the responsibility of the Customer not to upload any materials protected under copyright, trademark, or trade secret laws unless done with the prior express authorization of the owner; or any material likely to defame or invade the privacy of any individual.

Suzo Happ (**Seller**) accepts and bears no responsibility for any content added to the Product after installation. Access to the internet in public venues has the potential to greatly increase the accessibility to gambling and exacerbate problem gambling among Australians. At Customer's request, Seller can provide reasonable and diligent safeguards to the venue's internet content control.

BROADCASTING COMPLIANCE RESPONSIBILITIES

The Product is supplied by SHIFT Interactive, a division of the Seller, and comprises a television, video and internet ready hardware device designed principally for the hospitality, retail, and interactive amusement markets.

It is the responsibility of the Customer to obtain and maintain any required State, Territory or Commonwealth broadcasting licenses and to act in accordance with relevant and applicable regulatory and subscription requirements. Seller cannot be held responsible for any breach thereof.

GAMBLING AND LIQUOR COMPLIANCE RESPONSIBILITIES

It is the responsibility of the Customer to use and provide the Product in accordance with any wagering, betting, gaming, liquor or other legislation or regulatory requirements that apply to the Customer or its premises and to act in accordance with those laws or requirements. Under no circumstance in Australia should the Product be used by the Customer to knowingly facilitate the supply or provision of services or products which are or may be in breach of any law related to online or interactive gambling services or the broadcast of interactive gambling advertisements, including the Interactive Gambling Act 2001 (Cwlth).

EXCLUSION OF LIABILITY FOR BUYER BREACH

The Seller hereby excludes any liability, and disclaims responsibility, for any breach by the Buyer of these terms and conditions or any law that applies to the Buyer, its premises or to use of the Product by the Buyer or its customers. The Customer hereby accepts this exclusion and disclaimer.
